Bill,

Grandmother Prather was the daughter of Dewitt Anderson and Anna Eliza Wilsford. Anna Eliza Wilsford was the daughter of Granville Turner Wilsford and Evalina Kincheloe Stribling. This is fact as far as I know and have always heard. Grandmother Prather was quite a character. I do not know who the person was that filled out the Death Certificate, but maybe that was her name.

As far as I know there has never been a Cunningham in our family anywhere. She also ran away to Chicago and married Bailey Webb before she married Granddaddy Prather. If you can run down any other facts, good Luck! Grandmother did not talk much about her childhood but always was alluding to the Wilsfords and Kincheloes.

It does make for an interesting trail to follow. Keep hunting!

Jeanne

Note: “Jeanne” above is Jeanne Wright (maiden name Jeanne Prather): who is my Aunt (I am William E. Jennings b:1963). Her Grandmother’s (my Great-Grandmother’s) maiden name was Lena Anderson.
