CERTIFICATE OF MARRIAGE

State of Mississippi, Warren County

I, J. P. Lehan, Clerk of the Circuit Court of said County and custodian of the Marriage Records thereof, do hereby certify that the said Marriage Records show that on the 14th day of June 1931

The Rites of Matrimony

were celebrated between

Mr. R. J. Prather, Jr. and

Miss Emmette Jeanne Conerly

By P. W. Mayfield Minister

Given under my hand and Seal of said Court, this 15th day of June 1931

J. P. Lehan Clerk. [illegible] D.C.

Gen 04 Regarding the Year of Birth for Robert James Prather:

There are three different documents showing two years of birth:

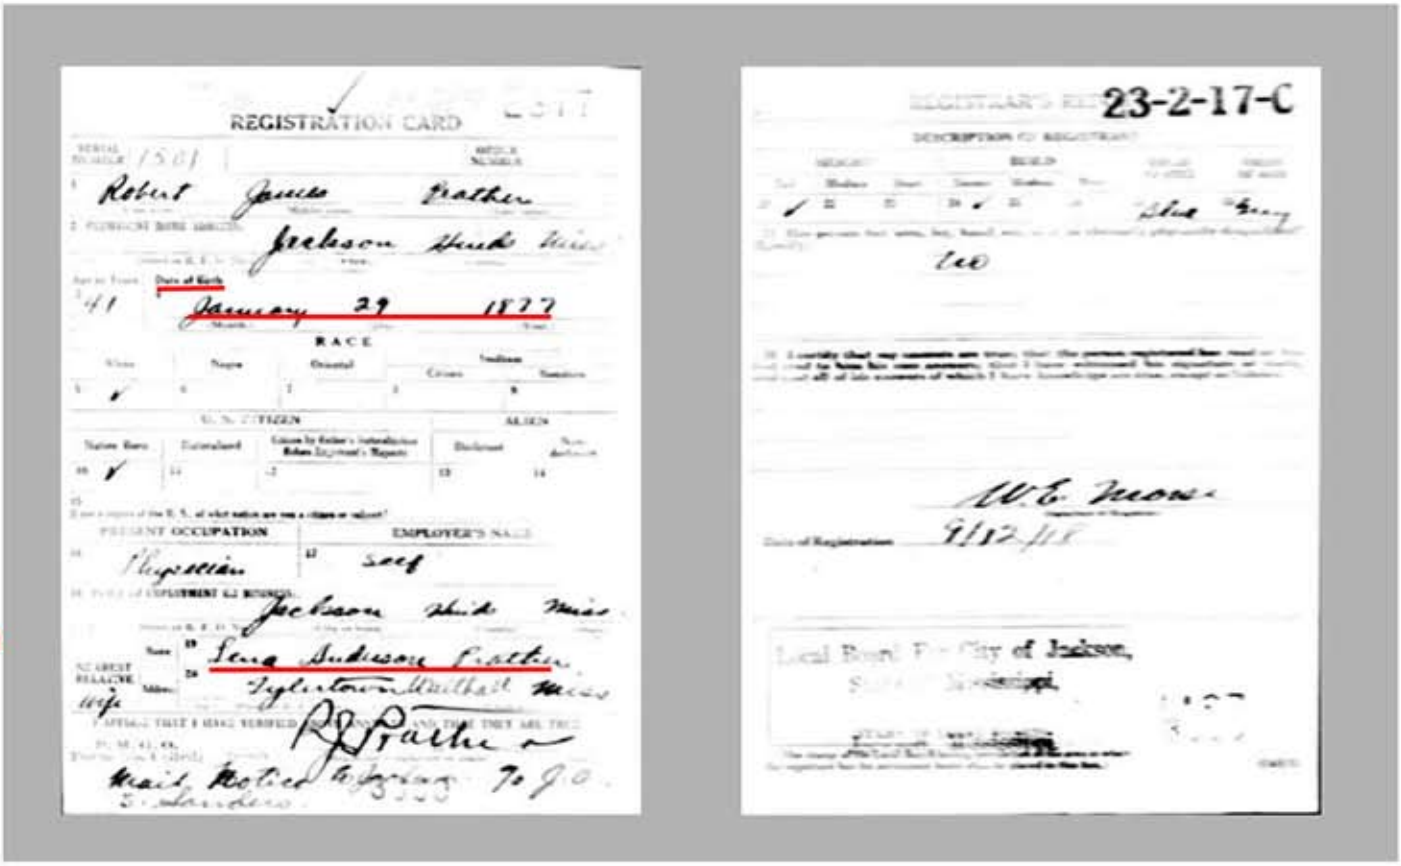

The Death Certificate showing the year of birth as 1876

The World War I Draft Application showing the year of birth as 1877

The Headstone showing the year of birth as 1877

I am attaching the three different source documents for review – but believe it's most likely that the Headstone and the World War I Draft application are correct: as the latter was filled out by the decedent Robert James Prather, who would have no reason in early 1900 to mis-represent his year of birth at that time.

FIVE TYPICAL SCOTCH IRISH FAMILIES OF THE CUMBERLAND VALLEY

By
MARY CRAIG SHOEMAKER

What wonder that in the midst of all these pressing needs but little record was kept in writing of the rapidly changing events of the days so full of toil and danger. Although their records are so meagre we know that the present is what it is on account of the past. "Some people seem to live only in their ancestry—and they live at a poor dying rate; others never give it a thought and they suffer accordingly." Let us show our gratitude by at least remembering them.

William E. Jennings added these notes below regarding Robert Prather:

Shoemaker's book page 44 refers to a Robert Moore Prather as a son of Robert and Alice. The middle name is a mistake, as primary documentation (Robert J. Prather's Death Certificate (1933)) shows a different name for his father (R. J. Prather). The birthdates are nearly the same for the son: (Jan 29, 1876 (death cert.) vs Jan 26, 1876 (Shoemaker)). The family is definitely the same family: as the 1870 census shows a daughter Heady (probably misspelled and likely named after Alice's Mom's name), a father Robert, and a mother Alice: with the appropriate ages on the census.
