Shad, tried to retrieve your GriffinHistory document attached to your letter but was unable to. It appears that our Griffin lines are the same as my gggrandfather was John Gilpin Griffin who was the son of Pleasant Griffin and Nancy Ann Phillips. I have documentation from the Orphan's Court in Madison County Alabama which identifies Pleasant and Nancy's children as follows; Thomas James (Joplin?) Griffin, Martha Griffin Lankford, Zachariah Griffin, John Gilpin Griffin, Frances Griffin Bradley, Harrison Griffin, Nancy Griffin Bryant, Charlotte Griffin Bradley, Pleasant Linn Griffin and Elizabeth Griffin Stevenson. I have much more information and would like to exchange data with you.
